News from the Headteacher:

It is with real sadness that I have to tell you of the sudden death of one of our parents, Rosa was very active in supporting the school and was instrumental in the development of our new parent's handbook. At times like these we see the very best in our staff and we can take real solace in the fact her son is being well looked after by Rosa's sister.

News from the classroom:

Another busy fortnight. All classes are preparing for the Christmas bazaar, making lots of Christmas crafts to sell on the evening of the 9th of December. We are also rehearsing for the students Christmas pantomime, 'oh no they're not!' Let's hope it's much better than last years! Thank you for all of your donations towards our Children in Need fundraising day on Friday 13th November. We made £100 for a very worthy cause.

News from the residential flats :

It has been another fortnight full of activities. The students have been enjoying the usual activities as well as going bowling due to the soft play centre being refurbished at the moment. The students have been busy preparing new displays for the hall boards as well as items to sell at the Christmas bazaar. The residential student council voted for a Christmas disco to be held on the 17th December.
