News from the Headteacher:

I trust everyone had a lovely break. It is always a pleasure to welcome all our students back from holiday and is so pleasing to see them happy to be back. Our first assembly is always a little special, and to see so many of our students attending was a fantastic way to finish off a very positive first week.

News from the classroom:

We are settling back into the routine, starting our new termly topics and looking forward to 2016. This week the whole school wrote their new year's resolutions and shared them in assembly.

News from the residential flats :

It was lovely to see all the students return from the Christmas holiday, as well as welcoming two new students since the last Newsletter. All students have had fun participating in the regular activities both on and off-site. We look forward to some of our students being able to access a youth club run by Mencap, which runs once a month, our staff will remain at the youth club with the students.
