### News from the Headteacher:

It is hard to believe that January is now almost at an end, I trust those new year resolutions the Assistant Heads talked about last issue are holding up. I am delighted at your response to my appeal for parent governors, it looks as though we will fill our quota, watch this space.

*Billy*

### News from the classroom:

We've had a very busy couple of weeks. All classes took part in the World Explorer's week, which involved focusing on a chosen country from anywhere in the world and taking part in class activities including, food tasting and art projects. The school hall currently looks very colourful with wall displays also made during this week.

In early February we have, Wellbeing week, which is when we will be focusing on E safety and keeping safe.

Joe, Lou, & Lucy

### News from the residential flats :

All students have had a good fortnight, they have participated in the regular activities both on site and off site. The students had their residential student council meeting where they were able to put ideas forward for new things they would like within the flats and around the school.

*Martyr*
