News from the Headteacher:

This week, book week, always reminds me of the importance of reading for learning, something most of us do every day. It also reminds me of just how difficult it can be to learn to read. The resilience and perseverance of our students as they develop their reading skills is something that I find inspiring and something that will help prepare them well for life beyond school. Happy reading.

Billy

News from the classroom:

This week we have had a fantastic range of activities to celebrate Book Week. Each class and flat has chosen a book and created a board. Andrea White from *A bundle of Books* in Herne Bay came in to run storytelling sessions and exchange our book tokens for books. We also had creepy crawly visit from Zoolab. We are also collecting Sainsbury's school vouchers and would be grateful for any donations.

Joe, Lou, Lucy

News from the residential flats :

The students have been able to participate in the usual activities we provide both on site and off site. They will be participating in preparing the boards in the hall for book week, they will also be creating a story book themselves. Staff are holding story telling in the library, reading books the flats have chosen for book week.

Martyn

Events.

Start of Book Week Assembly

Monday, 29 February 2016

Celebrating Achievements

Friday, 04 March 2016
