News from the Headteacher:

I would like to thank you for your responses through the questionnaires, it's pleasing to see just how positive you are. We had our Social Care Ofsted inspection over three days last week. I believe our approach to Ofsted has changed for the better, we now do nothing "for" Ofsted, everything we do is "for" your children, if we get that right, this will be recognised by Ofsted. Now Lets see what their report says when published.

Billy

News from the classroom:

We've had a very energetic fortnight in school. This week we held a Boccia and New Age Kurling tournament with Bradstowe and Foreland the result was a draw between each school! It was a really fun event and a great chance to meet with other local special schools.

The weather has been beautiful, yet still a little cold, so everyone has had the opportunity to get out into the school garden and enjoy the sunshine.

Joe, Lou, Lucy

News from the residential flats :

It has been a busy fortnight, the children have been busy with their usual activities such as soft play, golf, swimming, bingo and arts and crafts.

The lighter evenings has enabled us to go on some nice walks along the sea front after school.

The children made our Ofsted inspector last week feel very welcome, inviting her to have drinks with them as well as having dinner with them.
