### News from the Headteacher:

I was delighted to see everyone return after our two week break. Holidays offer us all an opportunity to relax, refresh and reinvigorate ourselves, something we all need to do. Last term was a fantastic success and I see no reason why this term will be any different, so I look forward to it with anticipation and confidence.

### News from the classroom:

We have been making the most of the good weather to get out into the garden. Our PE sessions were outside for the first time this year; the walking clubs have been out and about in force. Nina's class hosted an interactive recycling assembly on Monday to teach us about waste and the environment.

### News from the residential flats :

We welcome a new Team Leader to the Residential flats Mick Lucas has taken over in Princegate. The students have been able to enjoy visits to local parks now that the weather is better and we have the lighter evenings. The students have participated in their regular activities throughout the fortnight.
