### News from the Headteacher:

Finally we are getting some real Spring weather with all the benefits that come with that. Chief among them, the opportunity for all our students and staff to enjoy the absolutely fantastic outside spaces we have available to all.

I trust the good weather will continue into the weekend and continue to lift all our spirits.

### News from the classroom:

The weather has been particularly lovely recently so all classes have enjoyed time spent in the school garden. Our school beach hut is now at Stone Bay beach and ready to be used. Let's just hope this beautiful weather continues! We all really enjoyed a visit from a steel band on Monday 9<sup>th</sup> May, students had a chance to play the steel pans, listen and dance to some great music!

All students entered an art competition run by the Rotary Club of Margate, chosen pieces of art will be displayed at Sainsbury's Westwood Cross shopping centre. Four of our students won merits for their work. Well done to Sam Hayward, Jake Shaw, Cameron Makenzie, Natalie Beer and everyone else that took part.

Have a great weekend.

Joe, Lou, Lucy

### News from the residential flats :

We continue to update all the residential flats. Work on Queensgate is now underway. It is really pleasing to see a decorator with a real understanding of the needs of our young people. The work is getting done, to a very high standard and with no negative impact on the young people. I'll keep you posted on the progress. Have a lovely weekend.
