News from the Headteacher:

In our useful links this week I have added one to the government website giving information on becoming a court of protection appointed deputy.

It is important that you think about this **before** your child becomes an adult as your parental rights will stop when your child becomes an adult.

News from the classroom:

An active week with the Stone Bay Olympiad. The students have been undertaking a range of sporting activities as well as looking at the meaning behind the Olympic ethos. Each class has researched a country and created a display board and made flags for the SBS Olympic parade. Friday was empty classroom day so a group headed to the beach for a beach clean.

News from the residential flats :

It has been a good fortnight, students have enjoyed being out in the garden due to the nice weather, they have been able to go for a lovely walk along Minnis bay. We have added communication sessions to our evening activities, this is an activity the students take part in and enables them to communicate with all other students. We have been able to start swimming again as the pool has been fixed.
