### News from the Headteacher:

As I sit here in the Thunder and Lightning it is hard to believe it is now June and officially summer, but the beautiful school displays celebrating our Olympic week remind me that it truly is. Our "empty class day" was a great success and it was grand to see our young people outside..... but not today.

### News from the classroom:

Another really busy fortnight in school. These next few weeks are packed full of fun and exciting events. We have been training hard for Family Fun day on the 9<sup>th</sup> July, taking part in practice races and organising fun activities for the day.

We are also looking forward to our Maths Busking day on Friday 1<sup>st</sup> July, where there will be fun maths activities for all. Have a good weekend.

Lou, Lucy, Joe.

### News from the residential flats :

It has been another fun packed fortnight; students have enjoyed being out in the garden and participating in Olympic style activities. The students had a lovely time at the Circus thanks to Broadstairs Rotary club who gave us free tickets to the performance at Quex Park in Birchington.
