News from the Headteacher:

I am delighted with the start to the new term, our students have settled in very quickly and appear to be happy to be back. The work carried out over the summer has significantly added to the facilities we can offer. The workshop and the new all-weather pitch in place, the new soft play area and bike storage due to be complete. Exciting times ahead at Stone bay School.

Billy

News from the classroom:

It has been a busy yet productive start to the new academic year, all students have settled well and seem very happy to be here. We are looking forward to our first fundraising event of the year the "Macmillan Coffee Morning" which is being held on Friday 30th September.

As the fine weather continues everyone has made the most of being out on our all-weather sports pitch.

Have a lovely weekend.

Lou, Lucy, Joe.

News from the residential flats :

It is great to see the residential students all return and hear what some of the students had done during the summer break. The students have participated in the usual activities and have been able to take advantage of the lovely weather we are currently experiencing.
