News from the Headteacher:

Our soft, sensory therapeutic space is now in full use. It was particularly pleasing to look back at how this became a reality. First proposed by our students through the school council, Staff and Governors worked to raise the funds resulting in fantastic space for our students, installed on time and to budget. A **perfect example** of us **living our mission**.

Billy

News from the classroom:

The students thoroughly enjoyed the Children in need activities. A giant Pudsey was decorated in the hall with a range of art materials. There was also a Pudsey treasure hunt across the school. The students have been exploring our new sensory therapeutic space and trying out the new equipment.

Lou, Lucy, Joe.

News from the residential flats :

The students have been able to participate in the variety of activities on offer. We are also looking to see if we are able to increase our swimming activity by another evening as the students really do enjoy it. The students have enjoyed using the new games which have been made in the workshop.
