News from the Headteacher:

It was grand to see all our students back with us after a fantastic summer. Our students took full opportunity of the first lesson back and the first assembly to tell us all about their summer adventures, it is pleasing to see how much they enjoyed their holiday. We look forward to trying to ensure we maintain this impressive sense of well-being.

Billy

News from the classroom:

A really positive start to the new year. There is a great sense of enthusiasm as our new students integrate, and we all get to know each other. Michael organised a Balloon release to send messages throughout the community, we eagerly await the replies. Could we ask for Raffle prize and cake donations for the Macmillan coffee morning to raise money for Cancer support.

Joe, Lou, & Lucy

News from the residential flats :

All students have returned to their residential flats and have settled back in to the routine well. We welcomed some new residential students and look forward to building relationships with them. The students have been able to enjoy a variety of activities through the week.
