News from the Headteacher:

It has been pleasing to see our students settle into the new year. It is critical that we make as smooth a start to the day as possible and getting our students into school happy and on time is a critical part of this. So thanks for all your efforts in making sure this happens.

Billy

News from the classroom:

It's been a busy couple of weeks at school. We made £157 at our Macmillan coffee morning, thank you so much to everyone that supported this worthy cause. Our newest enrichment activities are proving to be very popular with students, especially yoga and swimming sessions. Because of the great weather it's been a very active fortnight, long may this continue!

Joe, Lou, & Lucy

News from the residential flats :

It has been a good fortnight for the residential students, they have been able to enjoy a few new activities such as football, badminton and keep fit. We have had a few birthday celebrations over the fortnight, which students have celebrated within their flats with other students and staff.
